Who pays for all the clothes, etc., that are worn out and torn to pieces in the wash? Whoever it is, he or she ought to insist that the washing shall be done with Pearline.

It isn't a little matter, either, this needless wear and tear. It's big enough to pay any man to look after it, and stop it.

Pearline saves not only hard work, but hard-earned moneys.

Send it Back! Peddlers and some unscrupulous will tell you "this is as good as" or "the same as Pearline."
